LISA ’08: 22nd Large Installation System Administration Conference

November 9–14, 2008
Town and Country Resort & Convention Center, San Diego, CA, USA
Exhibition: November 12–13, 2008
www.usenix.org/lisa08

Get system administrators talking about your products and services:
For 22 years, LISA has been one of the best kept secrets in the industry: a platform-agnostic conference for and by “sysadmins.” Our attendees have enormous demand for industrial strength, state-of-the-art technology including systems administration products and services, networking, security, and storage solutions. Attendees and their companies invest money and significant time at the conference to learn about the latest innovations. Get in front of this audience and start a buzz that extends beyond attendees to their management and to the community at large.

Participate in LISA:
• Exhibit: Sell your product, build your company profile, interact with your customer base
• Speak: Host a vendor Birds of a Feather Sessions, or Grab 15 minutes to address attendees on the exhibit floor
• Market: Advertise and promote your logo and brand
• Sponsor: Many opportunities, including lunches, coffee breaks, and reception.....see following pages for more information

New Opportunities:
• Spread your brand to a multinational audience with Live Streaming of LISA talks and tutorials
• Present a vendor ’15 Minutes of Fame’ on the exhibition floor
• Host the exhibit luncheon and address the lunch attendees
• Sponsor the vendor passport and show floor raffle

Expected Attendance: 1200

Our Attendees:
• 70% are systems, network, or security administrators or analysts
• 75% work with three or more operating systems, including Linux, UNIX, and Windows
• 55% are from companies with 1,000+ employees
• 54% are from companies with 1,000 or more workstations and servers
• 45% plan to buy or recommend a product or service they saw in the Vendor Exhibition

“This was the best conference we exhibited at all year!”—Jacob Farmer, CTO & Founder, Cambridge Computer Services
