Get system administrators talking about your products and services:
For 23 years, LISA has been one of the best kept secrets in the industry: a platform-agnostic conference for and by “sysadmins.” Our attendees have enormous demand for industrial strength, state-of-the-art technology including systems administration products and services, networking, security, and storage solutions. Attendees and their companies invest money and significant time at the conference to learn about the latest innovations. The current economy requires quality face time with your buyers and users to compete for limited resources. Get in front of this audience and start a buzz that extends beyond attendees to their management and to the community at large.

Participate in LISA:
• Exhibit: Sell your product, build your company profile, interact with your customer base
• Speak: Host a vendor Birds of a Feather Sessions, or Grab 15 minutes to address attendees by sponsoring the exhibit lunch, happy hour or Conference Reception
• Market: Advertise and promote your logo and brand in the on-site guide, on the attendee bags, or on the show floor. Demonstrate your product, introduce new ones, initiate Beta testing in the exhibit hall
• Sponsor: Support the student stipend program, and help keep LISA green and affordable. Many opportunities, including lunches, coffee breaks, and reception.....see following pages for more information

New Opportunities:
• Spread your brand to a multinational audience with Live Streaming of LISA talks and tutorials
• Host the exhibit luncheon and address the lunch attendees
• Sponsor the vendor passport and show floor raffle
• Sponsor the USB flash drive containing the conference proceedings; Help us go paperless!
• Power sponsor: Keep our attendees plugged in!

Expected Attendance: 1000+
Our attendees rate LISA #1 in technical conferences for quality of content and expertise.
