FUND TO ESTABLISH THE JOHN LIONS CHAIR IN OPERATING SYSTEMS AT THE UNIVERSITY OF NEW SOUTH WALES

USENIX

announces the creation of a matching fund to establish the

John Lions Chair in Operating Systems at the University of New South Wales.

The University of New South Wales is establishing an endowed Chair to recognize the enormous contribution made by John Lions to the world of computing. USENIX will match up to \$250,000 in donations made through USENIX, now through December 31, 2006.

The Chair, to be called the John Lions Chair in Operating Systems, will enable an eminent academic to continue the John Lions tradition of insightful and inspirational teaching in operating systems. The creation of the Chair will perpetuate the John Lions name, and new generations of students will benefit from his legacy.

Donations can be made by sending a check, drawn on a U.S. bank and made out to the USENIX Association, to John Lions Fund, USENIX Association, 2560 Ninth St., Suite 215, Berkeley, CA 94710, or by making a donation online at <https://db.usenix.org/cgi-bin/lionsfund/donation.cgi>.

Your contribution may be tax-deductible as allowed by law under IRS Code Section 501(c)(3). Check with your tax advisor to determine whether your contribution is fully or partially tax-deductible.
