PROFESSORS, CAMPUS STAFF, AND STUDENTS—

DO YOU HAVE A USENIX REPRESENTATIVE ON YOUR CAMPUS?

IF NOT, USENIX IS INTERESTED IN HAVING ONE!

The USENIX Campus Rep Program is a network of representatives at campuses around the world who provide Association information to students, and encourage student involvement in USENIX. This is a volunteer program, for which USENIX is always looking for academics to participate. The program is designed for faculty who directly interact with students. We fund one representative from a campus at a time. In return for service as a campus representative, we offer a complimentary membership and other benefits.

A campus rep's responsibilities include:

- Maintaining a library (online and in print) of USENIX publications at your university for student use
- Distributing calls for papers and upcoming event brochures, and re-distributing informational emails from USENIX
- Encouraging students to apply for travel grants to conferences
- Providing students who wish to join USENIX with information and applications
- Helping students to submit research papers to relevant USENIX conferences
- Providing USENIX with feedback and suggestions on how the organization can better serve students

In return for being our “eyes and ears” on campus, representatives receive a complimentary membership in USENIX with all membership benefits (except voting rights), and a free conference registration once a year (after one full year of service as a campus rep).

To qualify as a campus representative, you must:

- Be full-time faculty or staff at a four year accredited university
- Have been a dues-paying member of USENIX for at least one full year in the past

For more information about our Student Programs, see <http://www.usenix.org/students>
