Henderson introduced the new Board members to Dan Appelman, USENIX’s legal counsel. Appelman discussed the legal responsibilities of Board members and responded to questions regarding the Conflict of Interest Agreement.

7. Diversity and Inclusion Statement Discussion (continued)  
Discussion on Diversity and Inclusion Statement resumed.

Rich moved that USENIX have a Diversity & Inclusion Statement publicly posted on its website. Andersen seconded the motion. All voted in favor; none opposed. Motion passed.

Andersen moved to create a Diversity & Inclusion Committee, Weatherspoon seconded the motion; All voted in favor; none opposed. Motion passed.

Rich and Allman volunteered to be on the Committee.

Opsahl moved that the Board delegate to the officers appointments to the Diversity & Inclusion Committee; Andersen seconded. All voted in favor; none opposed. Motion passed.

Meeting moved to agenda item #11 Sponsorship and Sales.

11. Sponsorship, Sales, and Fundraising  
Mulligan gave an overview of Sponsorship and Sales activities. Sponsorship for Diversity grants is being consistently received. USENIX successfully submitted its own student grant application bundle directly to the NSF this year for the first time with Mulligan and Henderson as principal investigators. Moreno reported on sponsorship status for LISA.

10. Finance and Budget Introduction

   a. Risk and Exposure Report  
   Henderson introduced the Risk and Exposure Report. It is usually part of the the Consent Agenda so the Board can be regularly informed of USENIX’s status regarding major financial risks. Henderson refers to this report when considering signing a large hotel contract. Henderson gave the floor to Veglia for further explanation of the elements of the R&E Report.

   b. 2018 Approved Budget
Henderson presented the approved 2018 Budget and provided history and background for the current budget. A question and answer session ensued.

c. Monthly Financial Reports
Veglia reviewed the monthly financial reports that are provided to the Board. Specific questions posed by Board members were answered by Henderson and Veglia.

11. Sponsorship, Sales, and Fundraising
Mulligan gave an overview of Sponsorship and Sales activities. Sponsorship for Diversity grants is being consistently received. USENIX successfully submitted its own student grant application bundle directly to the NSF this year for the first time with Mulligan and Henderson as principal investigators. Moreno reported on sponsorship status for LISA.

12. “Blue Wildebeest” Sustainer Engagement Program Update
Henderson gave a brief overview of the sustainer engagement program, an effort by staff to research different models of membership to determine the best course of action going forward. With Markel on staff as Community Engagement Manager, it has become possible to complete a community survey. Henderson turned the discussion over to Markel.

a. Community Survey
Markel gave an overview of the community survey, the types of questions asked and why, and the goals of collecting this data from constituents. Markel requested Board input on the survey.

Break: 3:09-3:15 p.m.
Erik Riedel joins the meeting at 3:16 pm

13. Future Conferences Discussion
Henderson introduced Erik Riedel who has been an active volunteer for USENIX in several capacities to discuss agenda item 13a.

a. Open Source at FAST ’19
Riedel introduced the Vault conference and gave history and background. He is proposing that USENIX host Vault co-located with FAST as a complementary open source, industry program. Henderson stated this could enhance USENIX’s service to the open source community. Registration fees would be scaled appropriately for the community. Discussion ensued.

Demke Brown moved to introduce a Vault conference co-located with FAST & NSDI in Boston in 2019. Bailey seconded the motion. All voted in favor, none opposed. Motion passed.

b. Operational Machine Learning Conference
Henderson introduced a proposal for two single-day, bicoastal events on Operational ML. There is an existing need for this event in this community. There was general agreement that USENIX should continue to collect more data in pursuit of this project. Demke Brown will help develop this proposal.

14. UNIX 50th Anniversary
Henderson introduced the question of whether and how USENIX should acknowledge and/or celebrate the 50th anniversary of UNIX. A long-time member has requested that USENIX support some sort of celebration/acknowledgement. Directors offered suggestions and discussion ensued. The Board recommended against heavy investment in a big project or event, but rather acknowledgements and celebrations in keeping with already-budgeted events.

15. Next Meetings

a. Monthly Meetings
Doodle polls are sent out for the monthly meetings. A Doodle poll for the August meeting will be sent out soon. Board requests all polls have time zone and “if need be” enabled.

b. December 2018 Meeting
The meeting is set for Thursday December 6 and will be in the USENIX Berkeley office.

c. March 2019 Meeting

Andersen moved to adjourn. Allman seconded the motion. All in favor; none opposed. Motion passed. Meeting adjourned.
