Bailey has resigned from the Board. He was the Treasurer. Opsahl previously served as Treasurer and is willing to step in to fill this role again. Rich and Henderson recommended this course of action. This leaves one At Large position to be filled. Following consultation with Bailey, they suggest Will Enck, a member of the security community as is Bailey, to fill the At Large vacancy. Henderson and Rich have approached him and he is agreeable to filling the position if asked by the Board.

Rich called for a motion for Opsahl to take the role of Treasurer immediately. Note: Opsahl abstained from this vote.

Andersen moved that Opsahl take the Treasurer position immediately. Weatherspoon seconded the motion. Seven voted in favor; none opposed.

Rich called for a motion for Will Enck to be made a member of the USENIX Board of Directors effective tomorrow.

Will Enck joined the meeting as a guest at 12:10 p.m.

Henderson offered deep appreciation for Bailey’s years of service and noted that he will continue to fulfill the significant role of USENIX Security ‘21 Program Co-Chair.

Rich called upon each person present to introduce themselves to Will and vice versa. Introductions were made.
