

My Rights in Your Hands

USENIX Cyberlaw 2012

Hanni Fakhoury, EFF

Legal Rights on the Internet

- ◆ Stored Communications Act (SCA)
- ◆ 4th Amendment
- ◆ dependent on who has access to data and when

Two Cases

- ◆ Juror #1 v. County of Sacramento
- ◆ People of NY v. Harris

The Problem

- ◆ All the control is in the hands of the providers
- ◆ The users lose either way
 - ◆ Don't control the information
 - ◆ Or if they do, have to consent to providers turning it over

The Solution

- ◆ Legal changes
 - ◆ Revisit 3rd party doctrine
 - ◆ Update statutes
- ◆ Technological changes
 - ◆ Transparency and limitation
 - ◆ Commit to users
