OSDI is the premier forum for discussing the design, implementation, and implications of systems software. Over 500 collaborators from industry and academia present highly original ideas, new approaches, and groundbreaking results in current systems software research and practice, emphasizing both innovation and quantified experience.

On-site outreach opportunities include breaks, lunches, and receptions; birds-of-a-feather sessions (BoFs); and lobby tabletop exhibit space. To learn more about OSDI ’16 and view previous program content, visit www.usenix.org/conference/osdi16. The program for OSDI ’16 will be posted in August 2016.

USENIX welcomes support for its programs by appropriate businesses through our Supporter Program. This program offers our premier promotional benefits for your enterprise, along with outstanding educational benefits for your employees. USENIX Supporter benefits are customizable to meet the needs of each sponsor. There are three levels of sponsorship in the program. See www.usenix.org/supporter-program for details.

** PAYMENT AND LOGISTICS

Full payment is due 30 days after approval of this agreement, or by agreed schedule.

In the event that payment is received after the due date, USENIX reserves the right to release the sponsored/hosted event or sponsorship to another sponsor. Sponsor fees are nonrefundable and nontransferable. Failure to submit payment does not release the applicant from liability.

Your company will not be included in the program or preliminary promotional opportunities before receipt of this agreement and payment. The agreement will be considered binding when it has been accepted and signed by a representative of the USENIX Association. All benefits are available schedule permitting.
Please sign and return both pages of this agreement via email to the Sponsorship Department (sponsorship@usenix.org).

**Terms**

1. All benefits are available schedule permitting. Each exhibit space and/or sponsored event is for one company or organization only, unless otherwise approved by USENIX. The USENIX Association shall not be liable for failure to perform its obligations under this agreement as a result of strikes, riots, acts of God, or any other cause beyond its control. Anyone visiting, viewing, or otherwise participating in Sponsor/Exhibitor’s activity is deemed to be the invitee of Sponsor/Exhibitor rather than the invitee of USENIX.

2. Sponsor/Exhibitor understands that neither USENIX nor the Hotel maintains insurance covering Sponsor/Exhibitor’s property and it is the sole responsibility of Sponsor/Exhibitor to obtain such insurance. USENIX shall not be liable for any injury or damage whatsoever to the property of Sponsor/Exhibitor, Sponsor/Exhibitor personnel, or to persons conducting or otherwise participating in the sponsored event, or to invitees or guests of Sponsor/Exhibitor. Sponsor/Exhibitor agrees to abide by existing agreements and regulations covering the use of services or labor in the conference facility and may request review of the relevant clauses of such existing agreements and regulations.

3. Sponsor/Exhibitor assumes full responsibility and liability for the acts or omissions of its agents, employees, or independent contractors whether acting within or without the scope of their authority. Sponsor/Exhibitor assumes the entire responsibility and liability for losses, damages, and claims arising out of Sponsor/Exhibitor’s activities on the Hotel premises. Each party to this agreement (Sponsor/Exhibitor and USENIX) shall, to the extent not covered by the indemnified party’s insurance, indemnify, defend, and hold harmless the other party and its respective owners, officers, directors, agents, employees, and independent contractors from and against any and all demands, claims, damages to persons or property, losses, and liabilities, including reasonable attorneys’ fees (collectively, “claims”) arising out of, or solely caused by, the indemnifying party’s willful misconduct or gross negligence in connection with the provision and use of the Hotel as contemplated by this Agreement. This paragraph shall not waive any statutory limitations of liability available to either party, nor shall it waive any defenses either party may have with respect to any claim.

4. With respect to any claims or disputes between the USENIX Association and Sponsor/Exhibitor, this Agreement will be governed and interpreted according to California law without reference to its conflict of law provisions. All claims and disputes hereunder will be resolved in the state or federal courts located in Alameda County, California, and by submitting this Agreement to USENIX, Sponsor/Exhibitor hereby irrevocably consents to the exclusive jurisdictions of those courts.

5. By signing this Agreement, Sponsor/Exhibitor promises that all Sponsor/Exhibitor’s personnel, invitees, and guests will read the USENIX Event Code of Conduct (available at www.usenix.org/conferences/coc). This Agreement will be considered binding when it has been signed by an authorized representative for Sponsor/Exhibitor and accepted and countersigned by an authorized representative of The USENIX Association. This Agreement represents the full and entire agreement between Sponsor/Exhibitor and USENIX. Any changes, additions, stipulations, or deletions, including corrective lining out by either party to this Agreement will not be considered agreed to or binding on the other unless such modifications have been initialed or otherwise approved in writing by the other. No statement, representation, promise, or condition not contained in this Agreement shall modify or affect in any manner whatsoever the terms thereof.
